Canyon Vista Medical Center and the Legacy Foundation of Southeast Arizona seek to recognize those former or current residents of Cochise County who have worn the uniform of the nation’s armed forces and have substantially contributed to their community. Nominees should demonstrate their commitment to Cochise County through volunteering and community service. Nominations for the 2019-2020 Veterans Wall are being accepted through August 31, 2019. Nominations may be submitted posthumously.

Beginning in 2015, 12 veterans have been recognized each year for having made a lasting impact on our community and those who call it home. These veterans continued their military value of selfless service long after hanging up the uniform. We honor them for helping to make Cochise County what it is today, with contributions ranging from campaigning for arts education in schools to creating ways to make healthcare more accessible.

Mailed nomination are to be sent to Canyon Vista Medical Center, Community Outreach Office, 5700 E Highway 90, Sierra Vista, AZ 85635.

Send electronic nominations to veterans.nominations@CanyonVistaMedicalCenter.com

Nominations must be dated or postmarked no later than August 31, 2019.

The 2019-2020 Veterans Wall Ceremony will take place at Canyon Vista Medical Center on Thursday, November 7th at 5:30pm.
