Our hospital has been named one of the Best Hospitals for Maternity Care by The Leapfrog Group and Money Magazine in their inaugural list of rankings. The rankings are intended to help expecting parents make educated decisions about which hospitals consistently deliver the safest, highest-value care for patients and excellence in maternity experiences. Out of more than 2,200 hospitals surveyed, Canyon Vista Medical Center was one of 259 hospitals nationwide, and one of 2 in Southern Arizona, to earn the first-time honor. Congrats to our team!
